GEP 2026

XVIII Reunión del Grupo Especializado de Polímeros
GEP de la Real Sociedad Española de Química (RSEQ)
y de la Real Sociedad Española de Física (RSEF)

SECOND CIRCULAR

GEP 2026 | Valencia | September 14-17, 2026

Valencia will host the "XVIII Meeting of the Specialized Polymers Group (GEP)" of the Royal Spanish Society of Chemistry (RSEQ) and the Royal Spanish Society of Physics (RSEF). The event covers all areas of research and applications of polymers. <https://gep2026.com>

TOPICS

- Structure and properties of polymers and composite materials
- Synthesis, characterization, theory, and simulation
- Processing, rheology, and additive manufacturing of polymers and composite materials
- Polymer recycling, biobased and biodegradable polymers, circular economy, and sustainability
- Polymers for energy and environmental applications
- Polymers for biomedical applications
- Polymers for advanced applications and smart materials

President of the Organizing Committee

Clara M Gómez Clari (UVEG)

Organizing Committee

Rafael Muñoz Espí (UVEG)

Mario Culebras Rubio (UVEG)

José David Badia Valiente (UVEG)

Amparo Cháfer Ortega (UVEG)

Scientific Committee

- David Mecerreyes (POLYMAT-UPV)
- José Alberto Méndez González (U. Girona)
- Carmen Mijangos (ICTP-CSIC)
- Arantxa Arbe (UPV-CFM-CSIC)
- David del Agua (SABIC)
- Marina Galiá Clua (U. Rovira i Virgili)
- Jose María Lagaron (IATA-CSIC)
- Belén Monje (AIMPLAS)
- Jaime Martín Pérez (U. Coruña)
- Milagros Piñol (U. Zaragoza)
- José Carlos Rodríguez (U. Valladolid)
- Concepción Valencia (U. Huelva)
- Saúl Vallejos (U. Burgos)
- Maurice Collins (university of Limerik)
- Otavio Bianchi (Federal University of Rio Grande do Sul (Brasil))
- Francisco Javier Vilaplana Domingo (Kungliga Tekniska Högskolan) (Suecia)
- Katharina Landfester (Max Planck Institute for Polymer Research) (Alemania)

Important Dates

Abstract submission:

April 1 to May 15, 2026

via <https://gep2026.com>

Notification of acceptance: July 1, 2026

Registration opening: June 1, 2026

Confirmed Plenary Speakers

1. Jose Luis Vilas Vilela
Universidad País Vasco
"Biopolymers, are they worth?"

2. Dave Haddleton
The University of Warwick
"Polymerisation in flow and with in line GPC and NMR monitoring"

3. Raquel Verdejo
Instituto de Tecnología y
Ciencia de Polímeros, CSIC
"Diseñando los polímeros del 2050"

4. Mariano Campoy Quiles
Instituto de Ciencia de
Materiales de Barcelona; CSIC
"Marrying Polymer Solar Cells and
Different Applications"

5. M Jose Alonso Fernandez
Universidad de Santiago de
Compostela
"Assembling Biomaterials and complex biological drugs: clues in translational approaches"
